

Make Your Target Audience Think, Feel, and Act

WHY PR?

25 – 40%

of all traffic and lead generation comes from earned media. Lack of brand awareness is the biggest barrier to growth.

Name Recognition and Brand Development

- Helps develop your brand, informing stakeholder opinions
- Builds reputation, ensuring you lead the narrative
- Drives messaging, telling your story the way you want it told

Credibility and Validation

- Validates your messaging via earned media from third-party editorial outlets
- Builds credibility for your brand from industry experts communication to their experts
- Helps drive employee morale and excitement seeing firm in public sphere

Perpetual Relevance & Engagement

- Builds connections with strategic reports and content creators
- Helps drive traffic to your website
- Provides consistency with always-on approach vs. a single one-hit advertising spend
